RTO No 21018

### Important Enrolment update for 2015

From 1/1/2015 it is compulsory for all students that are enrolled in our courses provide us with a Unique Student Identifier (USI) upon enrolment.

A Unique Student Identifier (USI) is a reference number made up of numbers and letters that gives students access to their USI account. A USI will allow an individual's USI account to be linked to the National Vocational Education and Training (VET) Data Collection allowing an individual to see all of their training results from all providers including all completed training units and qualifications.

If you **do not** have a USI or for more information please go to

[www.usi.gov.au](http://www.usi.gov.au) and create a USI

Create your USI

Select here if you are a student (or a parent/guardian) and want to create a USI. This function is NOT for training providers.
